"Our School, Our Community"

June 7th, 2021

Dear Parents and Guardians,

As we begin to look towards the end of the school year I am sure you are wondering what this year end will look like!

Assuming we have no additional disruptions to our in person learning, elementary grades 1 to 6 will continue to have in person instruction through to June 29th with report cards being distributed at the end of that school day. If your child will not be present on June 29th to receive their report card, please make arrangements to deliver a self-addressed, stamped envelope at the office so we are able to mail it to you.

Assuming we have no additional disruptions to our in person learning, grade 7 to 12 classes will continue in person learning through to June 25th, including end of year examinations as posted below. An exception to this will be Biology 30 and French 30, as they will finish instruction on June 18th and 21st.

For grade 7-11, June 28th and 29th will be available for all students individually, and in small cohorted groups for assignment make-up, missed exams, and exam rewrites. Full class instruction *will not* be occurring on these two days. Report cards can be picked up after 3:00 on June 29th. If your child has a younger sibling in grade 1-6 their report card(s) will be sent home with them. If your child does not have a sibling in grade 1-6 and is unable to pick up their report card on June 29th, please make arrangements to deliver a self-addressed, stamped envelope to the office so we are able to mail it to you.
