S.I.N.#:

This award is open to all graduating students of Forestburg School. Be sure to provide the necessary information to the Forestburg School office no later than 3:30pm on the last instructional day of high school classes. Applications received after this date will **not** be considered.

1. This award is available to a student attending Forestburg School who is planning on attending post-secondary training in any future occupation that will enable the student to work with children, with an emphasis on the special education/special needs field.
2. Your submission must begin with a quote of your choice about "making a difference in a child's life." Your submission should include an explanation of what this quote means to you, as well as an explanation of how and/or why you plan to model or exemplify this sentiment in your future.

Submissions accepted include:

-Video -Audio/Voice Recorded -Written essay -Short Story

3. One reference letter must also be submitted with your application.

**This award is to be presented every year. No carry over.

***If a suitable candidate is not available who meets the above criteria, a student can be chosen who has contributed to their community in a positive way. Although, first choice will be given to those students pursuing an education to enable them to work with children, especially those with special needs or circumstances.
